

CHICKEN

Delicious seasoned chicken parts are pre-cooked at low temperature, as a result the meat remains juicy and flavourful and it gets the perfect 'bite'. The pre-cooked chicken is available as chicken ribs, chicken drumsticks or chicken wings.

GYROS

New in the product range is the Greek specialty: Gyros.

Gyros goes deliciously with a wrap or pita buns and served with tzatziki. The gyros is available as a pork or chicken variant.

PULLED MEAT

Our pulled meat is prepared in the "slow cooking" way. The best meat is cooked for a longer time at lower temperature. The "slow cooking" preparation method is in tune with today's trends and gives the product the extra taste and attention it requires. Pulled meat is available in three varieties: pulled pork, pulled chicken and pulled beef.

CRISPY BACON

Streaky bacon or 'crispy bacon' is tasty, crunchy cooked pork belly bacon. The bacon is traditionally tank cured and real beech wood smoked. The salt content is reduced making the bacon less salty and more suitable to fit in a healthy diet. The bacon is cut into thin slices and fried per slice. This meal enricher is ideal for breakfast, salads, pancakes or numerous other possibilities.
